It's a cold, cold feelin'  
On a real lazy wind  
That blows all the way trough you  
And the autumn begins

How it cuts like a saber  
How it chills to the bone  
You got cold feet and fingers  
And you're thinkin' of home

If I put my arms 'round you  
Turn you in from the storm  
From your autumn through winter  
Darlin' I'll keep you warm

My overcoat's empty  
Deep, wide and long  
I got room for you darlin'  
Till your winter  
Till your winter has gone  
I got room for you darlin'

If I put my arms 'round you  
Turn you in from the storm  
From your autumn through winter  
Darlin' I'll keep you warm

My overcoat's empty  
Deep, wide and long  
I got room for you darlin'  
Till your winter  
Till your winter has gone  
I got room for you darlin'  
Till your winter has gone
