When I show my skills to the world, everybody is
amazed
I'm the champion of the human race, the winner of the
race

Leading, leader of the people
Master, master of the world
King, the world is my kingdom
I own the earth

Everybody wants to be me, see the world through my
eyes
They all want to be worshipped, feel the glory every
day

Leading, leader of the people
Master, master of the world
King, the world is my kingdom
I own the earth

Kicks down on my slaves who feed me
Murder everyone who stands up to me
Torture is my way of leading
Worship, worship me

Leading, leader of the people

Master, master of the world
King, the world is my kingdom
I own the earth

Kicks down on my slaves who feed me
Murder everyone who stands up to me
Torture is my way of leading
Worship, worship me

I rule my people with their fear, I'm playing god for fun
Their agony gets things done for me, their pain is what
I own

Leading, leader of the people
Master, master of the world

King, the world is my kingdom
I own the earth

Kicks down on my slaves who feed me
Murder everyone who stands up to me
Torture is my way of leading
Worship, worship me
