We wouldn't change a thing, given half the chance
Yeah all we wanna do is dance
The girls raise their glass and shake shake that ass
The boys move in slow they're got a plan of attack
Forgetting heartbreak and mistakes
And just start having fun
Then the ground shakes like an earthquake
As the words roll off the tip of your tongue

So turn the lights out, the music up loud
Your smile is so contagious
Forget what we're told, we're losing control
The things we do are shameless

DAMN! B B BABY
DAMN! B B BABY
DAMN! B B BABY
You've got me screaming
DAMN! B B BABY
DAMN! B B BABY
DAMN! B B BABY

You're on the guest list, 'cause you're a VIP
And the best thing is that you're here with me
The after party in a penthouse suite
You make an entrance in a limousine
We can promise to stay forever young
Can you feel the ground shake like an earthquake
As the words roll off the tip of your tongue
