My heart stopped beating, for just an intermission,
If you feel like leaving, I guess that's your decision,
The faster we're moving the longer this takes,
The harder I'm trying I'm losing attention

I can try, but you're hard to get over,
Your eyes, keep losing their focus,
So raise up your glass of gin,
You look great when you're giving in

Keep singing out,
The words on your breath are causing a mess
But nobody cares,
Keep singing out,
And you'll never love if you're scared to get hurt,
So keep singing
My palms keep sweating, behind that door,
Her clothes are coming off,
The room keeps spinning, my heartbeat stops,
Oh god I've had enough

Keep singing out,
The words on your breath are causing a mess
But nobody cares,
Keep singing out,
And you'll never love if you're scared to get hurt,
So keep singing
