Give ear oh lord to my prayer
in my trouble i call on thee
Harken to my cry oh lord
For thou dost answer me

thou art great and alone art god
and wondrous are your deeds
Preserve my life for i have faith
that you'll fulfill my needs

Help me walk in truth oh lord
teach me of thy ways
help me to rejoice oh lord

for thou hast made these days

there is no love like yours oh lord
there are no works the same
all nations shall bow down one day
and glorify your name

you oh lord are compassionate
you abound in chrarity
Grant me strength, save your child, be merciful to me
be merciful to me
be merciful to me
