Raise him up  
Raise him up  
His dance advance and His song prolong  
Raise him up

They marched him up a hill  
And brought the hammer down  
A lamb so still  
A king a crown  
And they raised him up

Raise him up  
Raise him up  
A price was paid sacrifice was made  
Raise him up

And with the battle fought  
He went to god's right hand  
Truly god  
Truly man  
God raised him up

Raise him up  
Raise him up  
The work was done and the battle won

Raise him up

And now we share his love  
Around the world  
A home above  
A hope secured  
And we raise him up

Raise him up  
Raise him up  
His dance advance and his song prolong  
May the world understand that we belong  
And we raise him up

Raise Him Up (times 8)  
And we raise him up

Raise him up  
Raise him  
His dance advace and his song prolong  
May the world understand that we belong  
And we raise him up
