Okay, me Freaky Tah, goin' up for me  
Met two shorties, yeah, no doubt  
Took out the weed, back to the house  
Told my niggas to get the hell out

'Bout to get busy, yeah, no doubt  
Bone one to death, then eat the other out  
Get real freaky, put my tongue in her mouth  
Put my tongue in her mouth, how I do

Me Freaky Tah nothin' to  
Spig nice, cheeks an' pretty Lou  
Microphone checka for the 1 an' 2  
Walked away an' God rule

Freaky Tah walk through your avenue  
What the fuck do you think I'm gonna do?  
Smoke my weed an' I drink warm brew  
You know I do what I do, no clue

On my own, my man  
Niggaz run when I'm bad to the bone, my man  
Cats better leave me alone, my man  
Freaky Tah in his own rap zone, my man

One shot 'til come through your whole block, my man  
Don't stop, my man  
Yo, I'm still runnin' from the cop, my man  
Why I do what I do, my man?

Freaky Tah for my LB crew, my man  
One time for your brain  
Niggas bring the thunder an' rain  
It's no shame to my game

Freaky Tah is my motherfuckin' name  
If you don't know, now you do  
Word to mother, if you come through, try you  
Pass by you, look you in your eye, true

Freaky Tah, this is how I do  
One time, want it

I did it for you, I did it for you  
Aiyo, what you do is what you do now  
I did it for you, I did it for you
