All my family love winners  
Beginners get pushed to back of the pack  
Invented and left out without no attack  
You're at the top of the game  
But you work on a name  
It took one day to put us in the walk of fame (Yo)  
Don't call a name to recall the fame  
Eventually Dru Hill is in the hall of fame  
You know what the deal is  
You know what the HILL is  
You know what the B-Real is  
You know what my skill is

Chorus &  
Hook 4X

[Sen Dog]  
I get mental  
This ain't no pad and a pencil  
Throw the microphone my only utensil  
I tag the cheque like I got nothing to lose (That's right)  
I test myself set up, just shut up  
And brew that C-Y-P-R-E-S-S  
Got you funky and I real deaf  
Put it to the test  
And you will confess  
Soul Assassins is the best  
Check it homeboy, got to spot cracking (echoes)  
Sixth LP from that ThugDogLatin  
I turn the heat up and keep it hot  
Always give ya mo' and then thank we got  
Phreak the HIP HOP and the hot ride  
I'm home to make shows and I came right  
At first 'self titled' , became an idol  
Back when I was seen in a Sub town barrio

Chorus &  
Hook 4X

Now Here it is  
Bo Bo Bo Bo

[B Real]  
Why Diddely Why  
Why, Why, Why
