Lord grant us traveling mercies  
Traveling mercies wherever we roam  
We'll trust that guardian angels  
Guardian angels to our side have flown  
Blessing our journey with traveling mercies  
And leading us gently through dangers unknown  
Traveling mercies, traveling mercies  
Then Lord, lead us safely home

Lord grant us traveling mercies  
Traveling mercies, north, south, west and east

Down each highway and by-way  
In kindness to strangers may we ever increase  
Find wonder and laughter  
Traveling mercies  
Find Christ in the faces of the greatest and least  
Traveling mercies, traveling mercies  
In troubled times Lord, be our peace

Grant us safe passage  
Traveling mercies  
Lord, lead us safely home...  
Amen
