Coming through my window is morning light,
Still havent gotten used to you not being by my side.
Just thinkin bout it I wanna cry.
I guess my heart wasn't strong enough to survive.

Feel like a sparrow,
Preparing for flight
With the air beneath me,
One of loves casualties.

How (how) am I supposed to fly
When all I have left are these broken wings, are these
broken wings
Tell me, why would you take me up so high,
just to leave me there with these broken wings
(With these broken wings)

You made promises and didn't try to keep em (no)
Feel like your intention was to make a fool of me
Well, you succeeded in disappearing when I needed
you the most
Left me in the water so cold

(Ooh)
Feel like a sparrow,
Preparing for flight
With the air beneath me,
One of loves casualties.
[x2]

Tell me,
How (how) am I supposed to fly
When all I have left are these broken wings, are these
broken wings
Tell me, why would you take me up so high,
just to leave me there with these broken wings
(With these broken wings)

Got me so afraid I'm so afraid I couldn't believe you'd
do me this way [x4]
Got me so afraid I'm so afraid to fly

How (how) am I supposed to fly
When all I have left are these broken wings, are these
broken wings
Tell me, why would you take me up so high,
just to leave me there with these broken wings
(With these broken wings)
[x2]
