They say there's nothing better than knowing
But what if what you know is too much for you to bear
See the prize ain't where you're going
It's the journey
And even though we ended up apart
I know in my heart
I'd do it all again
I'd do it all again
Even if there's a possibility,
I'd still do it again
All again
Don't want to be the one that's existing
I wanna live and experience what life has to give
So why I kept my eyes wide open
Cause I don't wanna miss a thing no
And if I knew then what I know now
I wouldn't have changed it anyhow
I'd do it all again
I'd do it all again
Even if there's a possibility your heart,
I would still do it again
Yes I would
Yes I would oh
All again
I would
I would do it all again
I would
I would do it all again for you
Do it all again
I'd do it all again
Even if there's a possibility your heart,
I would still do it again
Yes I would
Yes I would oh
All again
