Ooh they say that this is how it feels to be out of
winning team
Like every day i wanna brand new champion ship ring ..
But we can go and keeping flow are you like a doggy
Like ah ah ah, ah ah ah, on the ah ah ah

Pre Chorus:

I'll represent you just like a lawyer in the court room
And if a .. i make call in the seat room
So elemental .. the way we do our thing
When you add it up on me cause you was the way that
it should be
Our love is like a skyscraper .. standing bigger than the
biggest city
And my heart in the elevator grab .. and got nothing on
me

Chorus:

I don't wanna come down and touch the ground
if you came up .. crazy
for the way that you got me really got me feeling like
I dont wanna come down to earth .
.baby i don't wanna come down to earth earth earth
earth
i don't wanna come down to earth earth earth earth
i don't wanna come down to

boy you keep me runnin like i changed my name to
Usain Bolt..
gotta have you on my arm just like a Louie Vuitton
the way you love me ain't like no beginner
so cold like a New York winter
and when you're gone I'm just like an addict
tryin to get another fix

[Pre Chorus:]

[Chorus:]

Thanks to garbo
