Maybe I'm a glutton for pain,
Maybe I just like my life in disarray.
It's too much truth for me to face,
So I move through life at a snail's pace.

Cause I don't want to be without the unlucky one,
Who tried to climb the mountain and let failure come.
So tell me what it is,
Why love's got me so afraid to fall.
I'm my own worst enemy.
I'm my own worst enemy.

Oh, and I'm looking at myself in the mirror,
Why does everything get cloudy?
I thought that it'd be much clearer.
Tell me why do I end up in the same place with a
different love,
Choosing the same and over and over with a different
face,
Think I've had enough.

Cause I don't want to be without the unlucky one,
Who tried to climb the mountain and let failure come.
So tell me what it is,
Why love's got me so afraid to fall.
I'm my own worst enemy.
I'm my own worst enemy.

Do I love me, oh love me now.
Do I love me, oh love me now.
Tell me, Tell me.

So tell me what it is,
Why love's got me so afraid to fall.
I'm my own worst enemy.
I'm my own worst enemy.

Love me now...
