He took my heart  
Right out of my hand  
Took the ..of my body  
Oh what the hell ..  
Then you came alone with a different soul  
And it was top twenty on the charts but baby he's still  
number one  
Let it breathe for ..

CHORUS:

You are my lover baby i'm sorry you don't belong to  
me, to me  
And i can't give it what .. believe me, believe me  
Just got my heart in ..pain  
It's my .. man  
I really hope that you understand but his my  
rubberband  
man, my rubberband man  
And i think i like it

You got so down at your bones  
I gotta chose for him  
I can't leave him alone  
He's got ym mind .. any ..  
To ever ..is and i get .. makes me breathe for many  
young

CHORUS:

You are my lover baby i'm sorry you don't belong to  
me, to me  
And i can't give it what .. believe me, believe me  
Just got my heart in ..pain  
It's my .. man  
I really hope that you understand but his my  
rubberband  
man, my rubberband man  
And i think i like it, and i think i like it
