Hey, yeah
I don't know what got to me
As soon as I still moving
Hey mama you wanna drink
Oh come on over and sit next to me
You're so fly that you should be
With somebody who's just sexy
Can I walk you over there, bottles in the air
Pulling ..
..doing that .. without you
Has that .. drink around
They ..like in highschool yeah.
And I know what I wanna do
Lights on just make a move
To the .. take my hand ...
I'ma make your body go.

Dong dong ...
I'ma make your body home
Dong dong

Girl don't be afraid of what I'm doing when I make it go
Ohh I'ma make your body go

Let me take control and I promise I can make it go.
Girl you make me wanna do some brand new things to
you
Slow it down when we're laying on the ground
You're in the air and you still feel the ..
I take you to a brand new stay we got a lot of rooms to
break
But before we get all of that then we put it on ice
Mama gonna do it.

You and your friends out
..doing that .. without you
Has that .. drink around
They ..like in highschool yeah.
And I know what I wanna do
Lights on just make a move
To the .. take my hand ...
I'ma make your body go.

Dong dong ...
I'ma make your body home

Girl don't be afraid of what I'm doing when I make it go
Ohh I'ma make your body go

2 x
Let me take control and I promise I can make it go.
I'ma make your body go,
I'ma make your body go.

Thanks to garbo
