Whooooaa,
Yeah...

We've been talking all night and day,
Or atleast that's how it feels to me,
Yeah,
I could have sworn I heard you say,
Maybe in another life or possibly another day,
Whoa...

When love leads you on,
And reality is make believe,
Don't it hurt so bad? (I Know it does)...

And now you face the song,
But threw her,
So much agony,
And that's when it starts to feel,
Like you're lock in thwart...

A mirage of love,
The closer,
It let you think you getting better...She's wrong...

How did you give up,
In the mirage of love?
You never knew how dry and lonely it feels,
Or wish, what if that was real?...

Oh No (Yeah, Yeah, Yeah),
Oh No (Yeah, Yeah, Yeah),
Oh No (Yeah, Yeah, Yeah),
Oh No (Yeah, Yeah)...

I played it out a million times,
But wait to get her in the end,
In my mind (Oh, Oh),
But you're two steps ahead,
And never act her in so happily instead (Whooa)...

When love leads you on,
And reality is make believe,

Don't it hurt so bad? (I Know it does)...

And now you face the song,
But threw her,
So much agony,
And that's when it starts to feel,
Like you're lock in thwart...

A mirage of love,
The closer,
It let you think you getting better...She's wrong...

How did you give up,
In the mirage of love?
You never knew how dry and lonely it feels,
Or wish, what if that was real?...

Oh No (Yeah, Yeah, Yeah),
Oh No (Yeah, Yeah, Yeah),
Oh No (Yeah, Yeah, Yeah),
Oh No (Yeah, Yeah, Yeah)...

Oh No (Yeah, Yeah, Yeah),
Oh No (Yeah, Yeah, Yeah),
Oh No (Yeah, Yeah, Yeah),
Oh No (Yeah, Yeah, Yeah)...
