girl we been fighting and fussing all night
you don't packed your bag and booked yourself a flight
telling me you wanna leave i gon' made you cry
one too many times so you say your goodbye

I grab your arm , you pull away
but don't walk out , ooh ooh
I hold the door , you grab the knob ,
and turn it down , ooh ooh
i pick you up , you hit my chest
I lay you down ooh ooh
If you gon' leave let me hear you something to think
about

Im gonna make you miss it
(Imma Imma Imma Imma Immake you miss it girl)
Im gonna make you miss it
(Imma Imma Imma Imma Immake you miss it girl)
Im gonna make you miss it
(Imma Imma Imma Imma Immake you miss it girl)
Im gonna make you miss it

Im gonna make it so that every other guy gotta
measure up to me
they don't know you body like I do
So let them never be ?

Im gonna make you miss it
(Imma Imma Imma Imma Immake you miss it girl)
Im gonna make you miss it
(Imma Imma Imma Imma Immake you miss it girl)
Im gonna make you miss it
(Imma Imma Imma Imma Imma make you miss it girl)

Im gonna make you miss it
(Imma Imma Imma Imma Immake you miss it girl)
Im gonna make you miss it
(Imma Imma Imma Imma Immake you miss it girl)

Im gonna make it so that every other guy gotta
measure up to me
they don't know you body like I do

So let them never be ?

Im gonna make you miss it
(Imma Imma Imma Imma Immake you miss it girl)
Im gonna make you miss it
(Imma Imma Imma Imma Immake you miss it girl)
