Thats the best i could do... so if you can tell me some of
the missin part i'll edit them

Yeah
Yeah
Ohh Ohh
Ohhh

In a flash
Aint it funny how your life can change
In a flash
Everything you know gets rearranged (ohh)
In a flash
So confused don't even know your name
Ohh a reason who's to blame (was it me)
Was it my fault that I set you with something to eat
Like a winter (?) and her where on the same street
(?)

[Chorus]
One second my heart will turn upside down
Felt like the strongest building
Thank finally fell down
How you were with him
When you thought I wasn't well
And it only took one second

Ohh Ohhh Ohh
One second
Ohh (in a flash)
So many things went through my mind
On a flash
When I saw her in your arms that night
On a flash
Was it the first time
Or was (?)
What did she give that you can give from me
Was it my fault that I set you with something to eat
Like a winter (?) and her where on the same street
Ohh oh

[Chorus]

One second my heart will turn upside down
Felt like the strongest building
Thank finally fell down
How you were with him
When you thought I wasn't well
And it only took one second

Doing the best I can not to cry
And they told me this happens I said I'm a guy (ohh)
I wanna scream so loud I reach the sky
Can't believe u broke my heart with this lie (ahh)

[Chorus]

One second my heart will turn upside down
Felt like the strongest building
Thank finally fell down
How you were with him
When you thought I wasn't well
And it only took one second
One second my heart will turn upside down
Felt like the strongest building
Thank finally fell down
How you were with him
When you thought I wasn't well
And it only took one second

Ohh Ohhh
Ohh One secondâ€¦!
