Hey baby, I just want you to understand something real quick, matter of fact, I'm gonna put it to you like this.

I got a house on a hill right next to jay-D

And girl I am tryin to put you in it

I wanna lay your body down on the California king,

wheres your bank account

let me feel it , up

Let me have that stress girl clear your mind

If it's a problem man you know I deal with it

Just wanna borrow you for the rest of your life

Go on let me know if you're with it. Hey,.

chorus..

I know it ain't no price tag on you, but I am glad

I was able to count that

'Cause when they see me in the hood when I got you on baby like damn,

Look at the way daddy rock that.

Baby I need you on my arms

Like a needle a fly shirt with a pin loyal to match

And all I need you is on my way

Like they're always dummy in with a maze picked up on my back.

You are my favorite outfit (hey,)

You are my favorite outfit (hey,)

You are my favorite outfit (hey,)

You are my favorite outfit (hey,)

Listen

I got that old man drive pissing outside,

baby come and take a ride of the curse

And everywhere we go do a girl we see the flashing lights

Do we bigger and better than most

Let me put that lotion on your back,

Laying no central pissing and they don't know,

Baby let me give that back

Why you're screaming now training you're my man

(repeat) I know it ain't no price tag on your bottle bread,

I was able to count that

'Cause when they see me in the hood when I got you want baby like them,

Look the way they run that

Baby I need you on my arms

Like a needle a fly shirt with a pin loyal to match  
And all I need you is on my way
