It feels like we've been out at sea,
So back and forth, that's how it seems.
When I wanna talk, you say to me:
None of this meant-to-be will be.

So crazy in this thing we call love,
And now that we got it we just can't give up.
I'm reaching out for you,
Got me out here in the water and I,

I'm overboard,
And I need your love to pull me up.
I can't swim on my own,
It's too much.
Feels like I'm drowning without your love,
So throw yourself out to me,
My lifesaver.
My lifesaver.
My lifesaver.

Never understood you
Wanted me to meet you half-way.
I felt like I was doing my part,
You kept thinking you were coming up short.
It's funny how things change,
Cause now I see.

So crazy in this thing we call love,
Now that we got it we just can't give up.
You reached out for me,
When you were out there in the water,
Girl I heard you say:

I'm overboard,
And I need your love to pull me up.
I can't swim on my own,
It's too much.
Feels like I'm drowning without your love,
So throw yourself out to me,
My lifesaver.

It's supposed to be some give and take, I know.

But you're only taking and not giving anymore,
So what do I do?
Cause I still love you,
You're the only one who can save me.

I'm overboard,
And I need your love to pull me up.
I can't swim on my own,
It's too much.
Feels like I'm drowning without your love,
So throw yourself out to me,
My lifesaver.
My lifesaver.
My lifesaver.
