She got a mansion in the hills  
Her bank account is filled  
But he don't give her what she needs  
Got a garage full of cars, expensive credit cars  
But he can tell that Shawty is a freak

Oh girl lay down right here,  
Baby I know just what you need in your life  
Oh baby that no fair, close your eyes and girl you ready  
for this,  
I'm bout to put my name on it  
He look like a player when , grown man, get it right  
Watch me put my name on it, , deliver your body to my  
address tonight  
It don't matter, it don't matter if you wanna make noise  
girl  
Bite the pillow if I get it too hard girl  
I'm bout to put my name on it  
I'ma make sure you don't wanna go home to him  
After I put my name on it  
Nigger feel that like, I'm gonna put my name on it  
Hit her hard like, whoa,

She gave a text in a while, cause he been out of town  
Maybe that's why she calling on ,  
So I put that one to honor, the first thing in the morning  
Give her a kiss and tell her have a good day

Oh girl lay down right here,  
Baby I know just what you need in your life  
Oh baby that no fair, close your eyes and girl you ready  
for this,  
I'm bout to put my name on it  
He look like a player when , grown man, get it right  
Watch me put my name on it, , deliver your body to my  
address tonight  
It don't matter, it don't matter if you wanna make noise  
girl  
Bite the pillow if I get it too hard girl  
I'm bout to put my name on it  
I'ma make sure you don't wanna go home to him  
Make you feel like, whoa

I'm gonna put my name on it  
Hit her hard like, whoa.
