You're my ..when you're looking at me
...when you tell you need me
You're been runnin this ..
i don't think i wanna over playin
but my car let it down seat the floor

Bridge:

'Cause i'm on my ride
that don't mean i don't know what to do
When i hear the sound my body turn me ..from you

Chorus:

You know when my heart starts ..
I'ma fast i'll make you chase me
Boy you really got my body whining
Up into a fever ..
We don't need no spark for the night and
touch my ..and i start to fire
You know when the .. you know when i'm ..
So are you ready for me now
So are you ready for me now
So are you ready for me

Got to touch to heart the message
I know what you really want boy
But it wasn't the right time for you and me
I wanna take this to another level
Be my girl she's a rebel
I don't want to hesitate
..give you the key my
