[Chorus]

That's my, That's my (3x)

That's my, Thats my baby

That's my, Thats my baby(4x)

[Adonis-Verse1] You have every right to be mad
Cuase you may baby, but i know you'll be alright,
sometime i feel like you impatient and thats when i got
to step in and save the night

I'm so in love....., But what we got to do just to put up a
fight, Maybe make love.....

And i'm still on the scene like i dress to kill left the
market, is what they call it, and my heart can't take
games at your own will,spin it again and you'll see, that
you are not a loser baby you everything

[Chorus]

Thats my, Thats my baby

Thats my, Thats my baby(8x)

[Adonis-Verse2]Cupid got a gun, and baby we got time
to run, so his bullets are gold, and my heart is full of it,
and i see the leprechaun, but he can't read my palm,
so i guess i'm on this journey

all along....

(But baby send me a flare baby)

Maybe that get me out of here,we in the UK, like
donatella ware,and i know you can't hear it, so when
you smile, I smile back to secure it
yea that make me laugh, cuase baby you the one, and
they the pass

[Chorus]

That's my, That's my baby

That's my, That's my baby(8x)

[bridge]
You are...
you all i have
and i want to be with you forever

(Yeaaaaaaa)
You are...
You all i have

and i want to be with you forever
(yea, yea, yea, yea)

[Chorus]
That's my, That's my baby
That's my, That's my baby(8x)
