It's what I want, it's the end ,, hey, oh

Something like a mystery to me
I can , what are we here for?
...touch from something, I'll see
, only feel given path is so ,

it's the thing that I'm after, like looking up for you in
love
It's the unknown that I'm after
it's what life ...me out
It's the unknown that I'm after, it's that earth
discovered love
It's what I want, it's the unknown, yeah

Something like deja vu, I already been here before, hey
Do I already know the answer,
is this how it always work? So ,
,

it's the thing that I'm after, like looking up for you in
love
It's the unknown that I'm after
it's what life ...me out
It's the unknown that I'm after, it's that earth
discovered love
It's the unknown that I'm after
it's what life ...me out
It's the unknown that I'm after, it's that earth
discovered love
that I want, what I want, what I need, I love you, for the
unseen
what I want, what I need, I love you, for the unseen

It's the unknown, hey, it's the unknown that I'm after
It's what life's pointing me out
It's the unknown that I'm after, it's that earth
discovered love
Is what I want, it's the unknown, yeah.
