Ooaha I'm cleaning out my closet today aha  
I'm throwin all these old rags away aha  
Don't like the way that nothing looks on me anymore  
And it feels like he don't want to be one

So I'm a take him off my hanger  
I'm thinking maybe I should donate him  
And then someone else can deal with it  
Cause I dnt have my feel of it and I  
Think it's time for me to change it up

So I'm redoing my wardrobe  
I've had enough  
I'm gone fill my closet up  
With brand new love  
A dress that wants to hug me tight  
A coat that keeps me warm at night  
I'm redoing my wardrobe  
With brand new love

I ran into a old friend today  
She say girl while you smiling that way  
And then she notices these new threads that I got on  
She ask me where I get it from

I said I took them off my hanger  
Can you believe I had to donate him  
And now someone else can deal with it  
Cause I dnt have my feel of it  
And I had to wake up and take care of myself

So I'm redoing my wardrobe I've had enough  
I'm gona fill my closet u with brand new love  
A dress that wants to hug me tight  
A coat that keeps me warm at night  
I'm redoing my wardrobe with brand new love

See we only get one life  
So you gotta do it right  
Then it shouldn't take too much time to figure it out  
If it ain't working gir you need to switch it up  
To someone who really cares

So I'm redoing my wardrobe I've had enough  
I'm gona fill my closet u with brand new love  
A dress that wants to hug me tight  
A coat that keeps me warm at night  
I'm redoing my wardrobe with brand new love
