

Lost In Reality "Apologies"

An empty room
A blinding stare
A loss for words
Two separate hearts now torn
Now shattered dreams
Are on the shelf
A loss of freedom
Or have you lost yourself?
And even as my heart lies bleeding
I feel for you
I don't need Apologies
Time goes on
Without you near
Life drags on

Hoping that you still care
And even as my heart lies bleeding
I feel for you
I don't need Apologies
Forgive me, for what I've done to you I need you back
I hope you drown in sorrow
And drift away
And even as my heart lies bleeding
I feel for you
I don't need, I don't want, I don't care
Where you are right now, I don't need Apologies
