Stand where you are
One more step you'll fall
Don't let them take it away
And do you dream
From a magazine?
Would you let them take it away?
Losing ground
Passing all the bridges as I'm
Falling down
Losing angels on my side
From the view up here
I see all I fear

I can see you take her away
Losing ground
Passing all the bridges as I'm
Falling down
Losing angels on my side
Losing ground
Passing all the bridges as I'm
Falling down
Losing ground
