I heard the news today
You're leaving town
There's nothing left to say
I'm bleeding
I'm on my own again
Lost alone again
Because of you
I tried to tell you
That I love you
But you won't hear what I say
I guess words get in the way
Now it's so hard to speak
About what's said
Silent memories
Are fading
You belong to me

You're my everything
Speak to me
I tried to tell you
That I love you
But you won't hear what I say
I guess words get in the way
When it's all said and done
And nothing's left except your lies
Will your heart read like an open book?
And I swear to you
That I'll never leave your side
'Cause you'll always mean the world to me
Just give me one chance, babe
