Make me smile, make me weep  
From your cage I set you free  
Make me wake, make me sleep  
Your warm smile all I can see

Make me creep, make me crawl  
But one taste and all is gone  
Make me stand, make me fall  
In your command I am till dawn

[Chorus]  
Break me down  
From within  
Break me down  
Being without

Can I win, will I loose  
In your poison I will drown  
What the hell, what's the use  
I can't make it on my own

[Chorus]
