Still feeling yesterday's cold
The snow falling on my skin
As winds bombard me
As dark surrounds me
I am here
I'm on the line

I'm on the line
I'm holding on
I'm trying not
To lose my mind
I'm cold at night
Blank by the day
With just one thing left to say
I'm on the line

The images don't make any sense
I just can't bare to take this anymore
I cry the tears drowning in fear
I'm fight to not disappear
Still on the line

I'm on the line
I'm holding on
I'm trying not
To lose my mind
I'm cold at night
Blank by the day
With just one thing left to say
I'm on the line

I'm on the line
Can't seem to hold on
I'm on the line
With desires still left undefined

Trying to go on
Left to figure out
If I was wrong
Then why does it feel so right
Please catch me as I fall

I'm on the line
Can't seem to hold on
I'm on the line
With desires still left undefined, undefined
