You're the only one
Who can save me from the nightmare I've become
And if I had to end right now
I want you to know it's true
Everything I'm telling you

That if I had it all
I'd give it all to you
We would never fall
We'd soar through the rooftops
Of these lives we leave behind

Do you know that feeling
That true love brings to you
It's just that feeling that I can't explain
But express I hope to do
All these things I'm telling you

That if I had it all
I'd give it all to you
We would never fall
We'd soar through the rooftops
Of these lives we leave behind

Behind...

You're the only one
Who can save me from the nightmare I've become

That if I had it all
I'd give it all to you
We would never fall
We'd soar through the rooftops
Of these lives we leave behind
You're the only one
Who can save me from the nightmare I've become
And if I had to end right now
I want you to know it's true
All these things I'm telling you

It's true...
