The land beneath my feet  
Which I merited with my own blood  
That I can't dare to lose at all.  
I always opposed to my destiny and made my own  
No one can stand in my way  
Claiming what is already mine  
Don't show me any pity cause I will not.  
This war maybe the last...  
The arrogance in my soul  
Shall be the cause of my end...  
Maybe...  
Or maybe not...  
I will make you experience anguish  
My spite is rising with the bleeding moon  
Portentous cacophony will sign the time  
When it comes...  
I closed my eyes in my vault  
Lonely as a winter breeze  
And I shrieked in my dream  
A stitch covered my whole body  
The vision of my end shown by him.  
I will make you experience anguish  
My spite is rising with the bleeding moon  
Portentous cacophony will sign the time  
When it comes...  
I adrift myself to my scent  
And I prepared my scheme  
Thus I can grace to his life  
The lurking shades whispers thy name  
Lunar albedo lures thee
