Why should I would let you down tonight
If you would ask me why
Then you would break my heart (tonight)

Why should I (tonight)
Why should I (tonight)
Why should I (tonight)

Whhhhhhhhhhh...

Whhhhhhhhhhh...

Break with me, and I would kick your ass off
Stay with me, and we would live forever

C'mon c'mon baby.. yeahh..
C'mon c'mon baby.. yeahh..

Tonight we shall die in hell
With my cry and my bolo at your door
Why should I would let you down tonight
If you would ask me why
Then you would break my heart (tonight)

Pinch me, am I must be dreamin'
Cause I'm your worst tragic nightmare

Tonight we shall die in hell
With my cry and my bolo at your door

Why should I would let you down tonight
If you would ask me why
Then you would break my heart (tonight)

Whhhhhhhhhhh...
