Word up, let me just fuck with your mind, please  
Aiy! Aiyyo-yo-yo, yo! Let me fuck up your mind  
On time, showin, you the, rhythm  
as I get wreck and get raw  
Yeah I be the man, comin off, that be raw  
It's Busta Rhymes givin you much more  
So...

Yo y'all (y'all) one more time I come  
Knucklehead flow that make you act REAL DUMB  
Yo (yo), I burn your food like Florence  
Run up in your crib like my name was search warrants  
Shut your mouth niggga don't you complain  
Fix you up, mix you with cut like pro-caines  
Ooh!! Insane to your brain  
Right on your subconscious, I leave my SHIT stain  
I be the mostest with rhyme overdoses  
Hot stepping over shit like Ini Kamoze's  
Sick lyrics like multiple sclerosis  
Focus, while I display flows ferocious  
Weak niggaz just fall and keep tumbling  
Distribute lyrics like I'm hand to hand herb hustling  
Hardcore like Quick Draw McGraw  
Fuck what you heard you ain't heard this before

I make sure everything remains raw (4X)

Yo, when I step in the place I leave damages  
Nuff bandages on pussy from miscarriages  
Yo, watch me bring the newest recipe  
Fuck you up quick and condemn you all with leprosy  
Let me hit you with flows, that come various  
Hahh, send you home and make you lie bout your alias  
Ha-ha, niggaz can't see my routine  
When I round up my Flipmode niggaz and get cream  
Hey, you! You know what the fuck I mean  
Now I'm on the scene, stepping through like Mean Joe  
Green  
Now I'm making you feel the extreme  
Till I black you out then turn on my real high beam  
Oh shit, now I got your brains fried

Once you inhale smoke from my flow, CARBON  
MONOXIDE!  
Use your imagination, let me take you higher  
Rain hail snow earthquakes, Earth Wind & Fire  
Yo, hit the dirt, get on the floor  
I'm that outlaw nigga living right next door  
You should just roll out the red carpet  
All movin targets, I got you open like supermarkets  
(Word up, word up) Yo yo, there's only five years left  
While niggaz is scared to death they breathe they last  
breath  
Days of my Life goes on, word is bond  
I make you feel my proton, neutron, and electron  
Yo, I be the number one icon  
Word to the holy Qu'ran, I rock on and on  
On and on, hey, on and on and on  
You won't understand when I form Voltron  
Hahahaha, everything remains raw

\* in background: I make sure everything remains raw \*  
(7X)

Word is bond, niggaz don't really understand shit  
Niggaz don't motherfuckin know y'all, hahah  
Flipmode is the motherfuckin Squad y'all, hahah  
I make sure everything remains raw, hahah  
Word is bond, niggaz don't know the real shit  
There's only five years left! Word is bond  
Niggaz don't know though  
There's only five years left! Hahah  
Remember that nigga, all you, remember that  
There's only five years left! Hahaha
