Promise; something to be expected
Written on the inside of me
I am waiting today

Like a song so familiar
Like a fire at its embers
I am burning today

Chorus:
Mercy day; just a drop in the ocean
A never-ending emotion
I am ready today

A secret that was told to me wordless
That i cling to with everything
I am clinging today

Like an old washed-out picture
Like a story remembered
I can see it today

Chorus:
Mercy day; just a drop in the ocean
A never-ending emotion
I am ready today
Mercy day; the breaking out of the morning
The quenching of every longing
I am ready today

Bridge:
Every start is completed
Every half is made whole
Everything is done

Like an old washed-out picture
Like a story remembered
I can see it today
I can see it now, see it now

Chorus

Mercy day
