{Thanks for the interview Monica
Now Monica everyone seems to think they know all
there is to know
About Monica Lewinsky but Monica could you tell us one
thing
That people would be surprised to know about you?}

I used to be scared of the dick now I throw lips to the
shit
Handle it like a real bitch

{Very interesting!
Now Monica, there seems to be a lot of demands on
your time
Could you tell us what a quiet evening
With Monica Lewinsky would be like?}

Got buffoons eatin my pussy while I watch cartoons

{Hmm, sounds like fun
Now Monica, who were your role models}

Zsa Zsa Gabor, Demi Moore, Prince Diane and all them
rich bitches

{Now in the transcript, you refer to the President as
butthead
Did the president have any nicknames for you?}

Poon-poon nanny-nanny, punanni danni

{Ahh, cute!
Now Monica, you and the President had a lot of phone
sex
What was the one thing that you would say to the
President
That would make him acheive orgasm?}

Before you nut, I'm a dribble down your buttcheek
Make you wiggle, then giggle just a little

{Now Vernon Jordan helped you get a job

What's the first thing you said when you met Vernon
Jordan?}

It's on nigga what? Pussy greased up
Stack the G's up, keeps the knees up

{So are you saying you had an affair with Vernon
Jordan too?}

I made my intro, gettin fucked in the Pinto

{Monica, you appear to be having sex with everybody
How do the interns treat you?}

They be suckin blackberry molasses out my asses

{Now now that we're on it, how come you never had
sex with Al Gore?}

I got no patience for little dick tastin

{What about Ken Starr?}

He be lookin fruity, but you still can eat the booty

{Now Monica, do you have any regrets
About your relationship with the President?}

Somethin' I wanted, but I never was pushy
The motherfucker never ate my pussy

{Hey, here's the President right now, Bill Clinton
Now Mr. President, before we go
Is there anything you'd like to say to Monica Lewinsky?}

{Bitch, shut the fuck up
Get the fuck out of here
Aaoo}
