featuring Gerald Levert

[Chris Rock]

Ladies and gentlemen.. of the G.E.D. class of 1999
I have one piece of advice for you
No matter what a stripper tells you
There's no sex in the Champagne Room.. NONE!
Oh there's CHAMPAGNE in the Champagne Room
But you don't want champagne.. you want sex
And there's NO sex.. in the Champagne Room

Don't go to parties with metal detectors
Sure it feels safe inside; but what about
all those niggaz waitin outside with guns?
They know you ain't got one..
If a woman tells you she's 20 and looks 16.. she's 12
If she tells you she's 26, and LOOKS 26.. she's damn
near 40
Take off that silly-ass hat
The O.D.B. couldn't have possibly committed all those
crimes
Coolio did some of that shit
Young black men -- if you go to a movie theater
and someone steps on your foot, let it SLIIIDE
Why spend the next twenty years in jail
cause someone smudged your Puma?
Cornbread -- ain't nuttin wrong with that
No matter what you think of what I'm sayin
Remember this one thing: there is no sex, in the
Champagne Room

[Gerald Levert]

Oooooohh...
No sex in the Champagne Room (6X)
Absolutely, positively, no sex in the Champagnnnne,
Room
No.. no-ohhhhh...

[Chris Rock]

If a homeless person.. has a funny sign..
he hasn't been homeless that long

A +REAL+ homeless person, is too hungry, to be funny
If a girl has a pierced tongue - she'll probably suck your
dick

[Levert: That'd be great..]

If a guy has a pierced tongue - he'll probably suck your
dick

[Levert: I don't want that, no..]

Here's a horoscope for everyone:

Aquarius: You're gonna die

Capricorn: You're gonna die

Gemini: You're gonna die TWICE

Leo: You're gonna die

Scorpio: You're gonna die fuckin

[Levert: Ohh yeah..]

No one goes to Hooters for wings

[Levert: No no no..]

If you've been dating a man for four months
and you haven't met any of his friends, you are NOT his
girlfriend!

Some of the things I've said may not apply to you

Some of the things I've said may offend you

But no matter who you are, you must remember this
one thing

No matter what a stripper says

There's no sex in the Champagne Room

NONE

[Gerald Levert]

No sex in the Champagne Room

Said no sex in the Champagne Room

No sex in the Champagne Room

No no sex in the Champagne Room

No sex in the Champagne Room

Can't get none, uhh

Can't have none, nah

in the Champagne Room

Said there's absolutely, positively

no sex in the Champagne Room

Said no.. no..

Said no-ohhhh..

Said Chris said..

There ain't no sex

in the Champagne Room.. no.. no.. no..

Can't get none, ahh

Can't have none.. *fades*
