

Lost Paradise "Elusive Cure"

Visit "[Elusive Cure](#)" on MotoLyrics.com

Take a pact, hide the fuel that's gathered here
Pale in view, a fool resigns and taken over
Skin your pride, it's stripped and taken from you
Blinded deep are the souls that are waiting for you

And only you, you may attempt to proceed
The sharpest point is aimed at you
Where the pain strikes is clear:

Regret, refrain, I can no longer bear it
Rising ages increase elusive cures
A moral life sacrificed, greed's taken over
Ride to take and the craving's buried deeper
Reaching out grasping arms that are waiting for you

And only you, you may attempt to proceed
The sharpest point is aimed at you
Where the pain strikes is clear:

Regret, refrain, I can no longer bear it
