Sickened by the feelings within

Laughing at my pain

Forget the lies, live the reality

Eager

Waiting for a chance to indulge

In this "sinful perversion"

I have grown weak now

God may forgive and save

Our "precious souls"

Lift the curse from us

Embrace all the distorted thoughts

Indoctrinating sins

In this our earth the love is lost

As disruption begins

[Embrace all the distorted thoughts

Indoctrinating sins

In this our earth the love is lost

As disruption begins]

Madness

As the soils of the earth

Greet our cries

Falling forever
