I have seen for myself
The rogues of all life born
And I'm lying through the night
My solemn end
And a cold touch of death
Takes my hand
The only way... the only way
Well, I'm fighting for my life
And [I'm] wasting away the time I've got left
The only way... the only way
Hearing you talk is a waste of silence
I can't bare... I no longer care
[I no longer care... no longer care]
I create the cross that I must wear
And I am flying to my plight successfully
The only way... [oh the only way]
Turning around to an empty space
I cried despair... I no longer care
[I no longer care... I no longer care]
[Feelings...] Feelings of remorse
Now locked away, another day, to live again

Feeling the pressure high

Holding on to the fire
