(1) Claws of death, grip my life
Empty my mind
My knowledge is deceased
Mindless and dumb, instinct gone.

(2) Running in circles
Not knowing where my fate lies...

(3) Blinding, running through the eternal maze
Surrounded by people the same

Not knowing this place as the darkness falls above...
Will we ever see the sun deteriorate away?

(4) Feelings disappear
Your eyes stare blank
Another world to greet
Life now ends...

(Repeat verses 2 + 3)
