You get high, with your destructive instinct  
You get high, with your corrosive instinct -  
Where can I go, to escape your foul mind tricks  
You're trying it more, but you will never break me  
Cause you presume, the winner's you but that's not true

So say just words to me, unreal what your hate's  
providing  
Say just words to me, your talk is always contradiction  
Say just words to me, you won't feel the warmth of  
friends around you  
You say just words to me, is it true that there's worth  
inside,  
So say just words to me.

Your designs, all the worse from power craving  
Your desires, only where there's fire burning,  
I'll show you the way, a pleasure that's for the taking

You're trying it more, but you won't get satisfaction  
Cause you presume the winner is you, but that's not  
true.

So say just words to me, unreal what your hate's  
providing  
Say just words to me, your talk is always contradiction  
Say just words to me, you won't feel the warmth of  
friends around you  
You say just words to me, is it true that there's worth  
inside,  
So say just words to me.

Unreal what your hate's providing  
Say just words to me, your talk is always contradiction  
Say just words to me, you won't feel the warmth of  
friends around you  
You say just words to me, is it true that there's worth  
inside,  
So say just words to me.
