

Lost Paradise "The Last Time"

It's a struggle with a failures frown
And it crashes in front of me
I see the clouds divide
Will you stay or try to leave

The time you're looking at though the door
And think to walk right through
I want to ignore
I only wish that it passes soon

I raise a sunken smile
As I serve only the ones who served

What can I achieve
As you steal the air I breathe

A cruel misfortune
Forbidding us to see
When stories may collide
It's a sad state of mind

Heart's beating for the last time
Heart's beating it's a state of mind

Heart's beating for the last time
The peace you cannot find
