Mackintosh/Holmes/Edmondson/Morris)

Approaching a silence, a blur of subsidence

Time may heal all troubles, is that what Iâve found ?

Joy entices all, until deathâs lonely shroud

But I know itâs forever...

Praying for a change

Our lives leading onwards, the essence is stronger

Memories of life drifting further away I must doubt that
where

Thereâs a will thereâs a way...

But I know, itâs forever

Life is all the pain we endeavour
