Pay the deadly price
Lift the fallen prize
Told you soon will die
Sin that sails alight
Carry ungodly crimes
Travelling out of reach
Taking the weight of the night upon my back
You cannot believe the pain that I've seen
Crawling out of life my fire is strong
Can it be, I can't go on
[And] I'm hurt now, don't turn your back
Changing ways, events prolong
Hidden by the mist, insinuate what's gone
[Insinuate what's gone...]
Your hand in mine
We'll reach the sign of plains above us
Your hand in mine
Unholy times of pain relentless
Forced to watch not eagerly
Breaking hearts with words and all ecstasy
[The ecstasy...]

Your hand in mine

Reveal all life, uphold all others

Your hand in mine

Are you alive, with flames of sadness

[Your hand in mine

We'll reach the sign of plains above us

Your hand in mine

Unholy times of pain relentless
