I've been waiting for the call all week to come. And i
know that i would lose this time
along.

But i know you can feel it to, the same things that i do.

Yeah i understand the situation, complication yeah i do.
But i just wanted the chance to say, I love you.

But i know you can feel it to. The same things that i do.

Now you're gone, you cant see it. How good things
could have been, yeah!
Now you're gone, you cant see it. How good things
could have been, yeah!

Is it to late for you to save me now? I just want to set
myself - but how?

But i know you could feel it to. The same things that i
do.

Now you're gone, you cant see it. How good things
could have been, yeah!

Now you're gone, you cant see it. How good things
could have been, yeah!

You make me feel.
You make me feel.
You make me feel.
You make me feel.

And i now you could feel it to.
And i now you could feel it to.
You make me feel.
And i now you could feel it to.
And i now you could feel it to.
You make me feel.
And i now you could feel it to.
And i now you could feel it to.
You make me feel.

And i now you could feel it to.
And i now you could feel it to.
You make me feel.
And i now you could feel it to.
You make me feel.
And i now you could feel it to.
And i now you could feel it to.
And i now you could feel it to.
