Here are the words  
We were all waiting for  
The secret message comes from beyond  
Here is the sign  
Completely blinded our eyes  
The spark of Wisdom shines so bright

And as the flames  
We dance on the stake of faith  
And as the plague  
We spread new heresy

In the name of Lust  
That keeps my soul undead  
I rise and fall  
Yet, beside me still you are  
This is silent worship  
No rites, no prayers too  
Just only pure Will  
Taken from the source of Thee

Appear!  
Be my guide  
In the darkness drown my pain  
... and I ...
