Wanna be a machine with an appetite for war  
Need the injection give me the drug I want more  
Wanna be machine with hunger for destruction  
Remind you of hell remind you of distraction

I am the real thing  
Gonna give you the real thing  
I am the real thing  
Gonna give you the real thing  
I am what you gonna breathe  
I am what you gonna feel  
Now I got me a new toy  
Gonna turn you into me

Wanna be a machine with a distorted smile  
Control of humanity make them walk single file  
Cannot sympathize with the stupid minded one  
Cannot sympathize cannot sympathize  
Wanna be a machine with an appetite to quell  
I am distorted I am deranged feed me with hell

Find comfort in the new hell  
Suck on the real thing

With a distorted soul I encircle it all  
The dominating machine gonna make you fall
