All the lights are goin' down
On Main Street
Parkin' lots are fillin' up
With teenage dreams an' pick-up trucks

There's gonna be a race tonight
That's where I'm gonna catch your eye
Right across that finish line
Is where I'll make you mine

And if it's crazy to think maybe
All you need is a love that's true
Well, then, baby, you can call me crazy
'Cause I do

This ol' GTO can't
Go no faster
There's only two ways out tonight:
Winnin' or disaster

Ain't nothin' but dust
In my rear view
Oh, everybody's cheerin', baby
But all I want is you

And if it's crazy to think maybe
All you need is a love that's true
Well, then, baby, you can call me crazy
'Cause I do

After the smoke has settled on this town
You're gonna know, why true love won't back down
'Cause when my wild hairs have turned to gray
I still will feel this way

And if it's crazy to think maybe
All you need is a love that's true
Then call me crazy
'Cause I do

You can call me crazy
Ah, you can call me crazy

You can call me crazy
