I guess im trying to say im sorry,  
But it always comes out wrong,  
I think a part of you still loves me,  
Even though were moving on,  
Always,  
All ways,  
I wanted us to be,  
Always,  
All ways,  
You and me,  
And i waited on my own,  
And i wait for you to see,  
All the time i spent alone now,  
Wont comfort me,  
Always,  
All ways,  
And im sorry for what happened,  
But i want you now to see,  
That im changing all my actions,  
I dont wanna set you free,  
Always,  
All ways,  
I want to see it through,  
Always,  
All ways,  
Me and you,  
And i waited on my own,  
And i wait for you to see,  
All the time i spent alone now,  
Wont comfort me,  
Cause im waiting for you,  
Yeah im waiting for you,  
Give me answers get me through,  
I will wait yeah,  
Always,  
All ways,  
I wanted us to be,  
Always,  
All ways,  
You and me,  
And i waited on my own,

And i wait for you to see,  
All the time i spent alone now,  
Wont comfort me,  
Yeah,  
Cause im waiting for you,  
And ill wait here for you,  
Give me answers get me through,  
I will wait yeah,  
Cause im waiting for you,  
Yeah im waiting for you,  
Give me answers get me through,  
I will wait yeah,  
Always,  
All ways.
